

Validating Findings by Controlling for Outdoor Weather and Government Responses to COVID-19

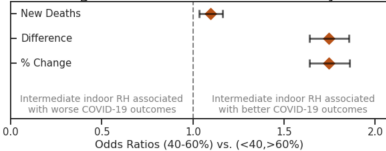

A. Low Outdoor Relative Humidity

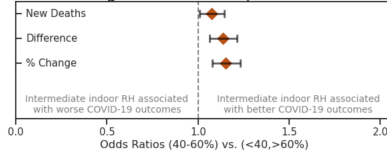

B. Low Outdoor Temperature

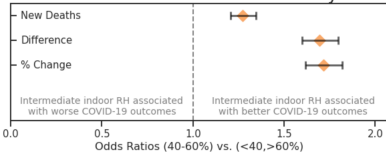

C. High Outdoor Relative Humidity

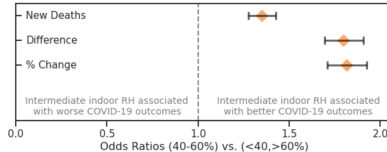

D. Low Outdoor UV Radiation

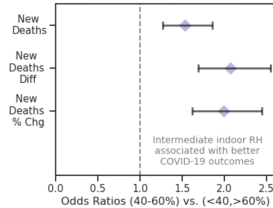

E. High Outdoor Absolute Humidity

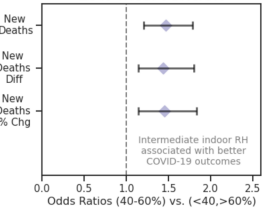

F. High Outdoor UV Radiation

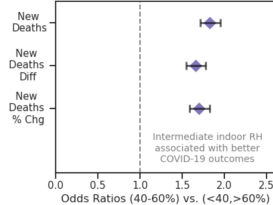

G. Time-Varying Govt. Response Low Intervention

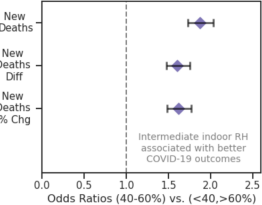

H. Average Govt. Response Low Intervention

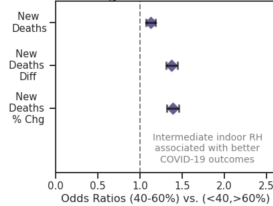

I. Time-Varying Govt. Response Medium Intervention

J. Average Govt. Response Medium Intervention

K. Time-Varying Govt. Response High Intervention

L. Average Govt. Response High Intervention
